

## 1st class sports areas for almost every sport

In the Sólorka-area, we have worldclass sports-facilities including modern fields, halls and other areas. We have a large number of football-fields with both natural and artificial turf.

Also, we have good facilities for tennis, padel, padbol and other outdoor sports as well as pavilions for all indoor sports.

In addition, we are in one of the most beautiful and most popular bicycle areas in the whole of Europe, and many professional teams are having their training camps here.
