

Volleyball

We arrange volleyball tournaments in our area.

Our main tournament is the 'Mediterranean Cup' around Easter every year. In this competition, your team is guaranteed a minimum of 4 matches. Teams that don't reach the finals often arrange extra friendly matches instead.

The tournament's protector is none other than Rafa Pascual, who is considered one of the best players in the history of volleyball and led the Spanish national team to the gold in both European and Olympic games.

Høvuðskapping okkara er sum nevnt 'Mediterranean Cup' í páskavíkuni. Vit kunnu til stuttleika nevna, at á páskum í 2025 luttóku føroyingar fyri fyrstu ferð, tá kvinnuunglingarnar hjá KÍF vóru við í kappingini og har vunnu sær nógvar royndir og eisini nógvar nýggjar spanskar og útlenskar flogbóltsvinir.
