

# A swimming camp in sunny Spain

We look forward to welcoming you to a training camp in beautiful sunny surroundings.

You decide whether to train in a 25 meter or 50 meter pool and if it should be indoor or outdoor (with heated water in the winter season).

The facilities will be close to your accommodation, making it easy for you to train twice a day.

If you so wish, we can offer you professional Spanish coaches for your entire session or parts of it.

## A typical camp would consist of for example:

- Two training passes per day in first-class facilities close to your accommodation
- Professional Spanish coaches (optional)
- Access to fitness-facilities
- Sports menus on the hotel
- Alternative activities for training or fun (optional)
- Beautiful and exciting excursions of your choice

*All flights out of the UK are protected by Protected Trust Services and ATOL*
