

Cycling sessions on Costa Blanca

Our surroundings consist of a beautiful combination of beaches and flat areas, hills and mountains.

This scenery, together with the polite and considerate drivers, make our region one of the most popular training areas for cyclists – and it even attracts Vuelta-de-España and Tour-de-France-teams for training sessions.

We can offer many magnificent routes with or without our professional cycling guides.

A typical training session would consist of:

- The agreed number of cycling days with our guides and/or planned routes without guides
Fruit, energy bars and water for the tours
- A light sports buffet after each tour
- Alternative activities for training or fun (optional)
- Beautiful and exciting excursions of your choice (optional)

All flights out of the UK are protected by Protected Trust Services and ATOL
