

# Football training on Costa Blanca

We are looking forward to welcoming you to sunny days with exiting and challenging training sessions, friendly matches and a lot of social activities and fun.

We offer first-class artificial and natural grass pitches, numerous facilities for various unfolding, Spanish general and specialized coaches and the option to attend beautiful and interesting excursions.

Our dedicated team ready to meet and greet you.

## A typical training stage would consist of for example:

- Daily training on artificial and/or natural grass (with Spanish coaches as an optional choice)
- One or more friendly match(es)
- Water for all sports activities
- Alternative activities for training or fun (optional)
- Extra services (optional): Simulated Press Conferences, Video-taping, Analytic Sessions etc.)
- Beautiful and interesting excursions (optional)

*All flights out of the UK are protected by Protected Trust Services and ATOL*
